DEFYING LIMITS

AN EVENING WITH THE CHALLENGED ATHLETES FOUNDATION

At the Challenged Athletes Foundation, we believe in movement, not just forward, but beyond. Beyond limitations. Beyond expectations. Toward something greater. This is what it means to Defy Limits, to rise above barriers and show the world what's possible. Los Angeles, a city defined by its generosity and spirit, is the perfect stage for this vision to come alive.

The inaugural LA Gala: Defying Limits marks a powerful new tradition in a city that has shown incredible generosity and support for athletes with disabilities. This special evening will celebrate those who redefine what's possible, sharing stories of courage, connection, and triumph, while shining a light on the resilience of athletes and the community that surrounds them.

OUR MISSION

It is the mission of the Challenged Athletes Foundation to provide opportunities and support to people with physical disabilities so they can pursue active lifestyles through physical fitness and competitive athletics. We believe that involvement in sports at any level increases self-esteem, encourages independence and enhances quality of life.

OUR NEED

Millions of individuals living with physical disabilities do not have access to the critical adaptive sports equipment and programming needed to be active.

- 20% increase in equipment costs.
- Record number of grant applications received.
- Need for financial support to continue current programming/clinics and further expand the LA/OC region and beyond.
