How to Claim a Payout

3. A webpage will be launched and you will be prompted to verify your identity via your phone number.

4. Once verified, you will see the Payout Details including the title, payout amount and who it was sent by.

5. You will be prompted to enter your name and debit card information.

*Please note you must deposit funds onto a US Banked debit card.

6. After selecting **Next** you will be prompted to agree to our user consent language.

7. Next, you will be shown a review screen with your payout details. Select **Confirm Payout.**

8. You will then see a confirmation page and receive a confirmation email. Funds will deposit into your account within 30 minutes.

 You will receive an email from caf+fromaddress@payoutsnetwork.com notifying you that you have received a payout.
 *Please make sure to add caf+fromaddress@payoutsnetwork.com to your

address book so that the email is not routed to your SPAM folder.

2. Open the email and select Claim Payout
