

# 2024 CAF-IDAHO APEX MTN BIKE ADVENTURE

Boise, Idaho, May 30 - June 2

## EXPERIENCE

CAF-Idaho brought individuals from around the country for its fourth annual Mountain Bike Clinic, which started with a dinner together and two days on the trails before concluding with a race at Bogus Basin.

Melodie Buell called it, “An incredible way to play and connect” and Noel Joyce said, “I came away from this event with more knowledge, new experiences and new friends.” Lyle Tarbett encouraged other athletes to, “Just get out and do it!”

## BY THE NUMBERS

65 Athletes + 26 World-Class Coaches rode together at J.A. and Kathryn Albertson Family Foundation Bike Park and Foothills Learning Center before heading to Bogus for the race. Several group members met up in advance at the Idaho Outdoor Fieldhouse to build Open Source Adaptive Mountain Bikes with Noel Joyce of Project Mjolnir.

Jaxon Palmer received a grant for a ReActive Adaptations Wildcat T1 Kid's Offroad Handcycle and Chase Henrie received a grant for a Scor 4060 Z ST XT Electric Mountain Bike.
