

2024 CAF-IDAHO FLY FISHING BASECAMP

IDAHO

Boise and Ashton, Idaho, July 11 - August 14

EXPERIENCE

Led by experienced fly fishing instructors passionate about adaptive sports, the CAF-Idaho Fly Fishing Basecamp Program combined education, adventure, and camaraderie. Seasoned anglers and folks totally new to fly fishing learned ichthyology, casting from shore, fly tying, and adaptive rowing. They not only bonded over fly fishing, but also over other water sports including rafting and wake surfing.

The program concluded with a 4-day destination immersion, where participants culminated their experience with a memorable fishing adventure

on the South Fork of the Snake River and the Henry's Fork with breathtaking backdrops in Island Park.

BY THE NUMBERS

6 CAF athletes joined for a transformative journey, where each session promised knowledge, skill-building, and the joy of the great outdoors.

2 coaches, 9 Idaho Angler guides, 4 Cascade Raft and Kayak Guides, 4 Three River's Ranch Guides and 1 Fish & Game Fisheries Biologist ensured that each participant received personalized attention while exploring the world of local fish species and gaining hands-on experience tying their own ties to add a personal touch to their time outdoors.
